

Primary School Pupils Are Inspired To Live A Positive Lifestyle

During the last academic year we taught over 100 workshops to primary school pupils. From the 10 different workshops we've run the most popular booked workshops were Self Esteem Anti Racism (11x) and Anti Bullying (10x). We year. Here's what some of the children had to say, enjoyed the activities a lot and learnt lots of important new things". Whilst fellow pupil supportive". We look forward to informing you in the coming editions of Celebrate as to how Watch this space!

Excellence

Welcome friends and supporters, in this edition excellence literally wins as you will read on page 8.

Please let me unpack a little "excellence" and why it is important to us here at One In A Million, so important in fact that along with Compassion, Honesty and Integrity it is one of our 4 key four values that sets the culture for our organisation.

We deeply care that our values are not just on a wall or in a document that sound good and then not implemented. For us these values have to be lived every day, every week, every month and every year, we have to keep getting better at what we do. So, what does excellence mean within our

Well, first let me make this clear we do not think we are excellent, not at all, all our values exist for others. We believe that excellence is something our children and young people deserve, they should have excellence in the opportunities we present and provide for them. Not all young people come from or live in post codes that present lots of varying and life enriching opportunities. It is our heart to do that for them and do it with excellence, they deserve it and with the excellent support and encouragement that you generously give to us we hope and strive to do that for them, to enrich and enhance their young lives and life choices, that is when excellence really wins!

Wayne Jacobs (CEO/Co-founder)

This summer OIAM said farewell to colleagues from Positive Lifestyle, lead teacher Clare Sharpe and classroom support Lara Martin. Clare is retiring following a distinguished career leading Positive Lifestyle centre for nearly two decades. Lara Martin, is a of the children and young people of our city, thank you!". OIAM OIAM ambassador, and though she will be moving onto a new personal project, it won't be long before we see her again performing at Stars Awards 2018 later this year! Since Positive Lifestyle began in 1996, over 35,000 pupils have registered attendance at the centre's workshops! OIAM Executive, Mark Hughes said, "During Clare's time leading Positive Lifestyle she has significantly impacted three generations of children in our

city! Sometimes, we will never truly know the impact we have deposited in a person's life. Rest assured Clare, you have invested in tens of thousands of lives across the Bradford district. On behalf co-founder, Wayne Jacobs added, "Lara has been an absolute pleasure to have around us in Positive Lifestyle. She epitomises the true qualities of true servant leadership". Clare and Lara, thank you. You truly are unique and valued. You are 'one in a million'. Positive Lifestyle will be taking a short break in its current format ahead of being relaunched in the new year!

Principal's Blog

Wow, what a year 2018 has been! We started last academic year with a clear picture of the opportunities and challenges before us. We knew that this would be the first year the school would have its first full cohort of students, a potential OFSTED inspection, implementing new school systems data, almost 50% new staff, the first set of GCSE exams and results, and nationally, a very unpredictable political environment roaring around us.

Leading a school is not for the faint-hearted and pulls on your every emotion. It is the most challenging, but easily the most rewarding job anyone could do. I am very privileged to be at the helm of such a superb organisation.

Watching young people grow through adolescence, being independent and finding their own voice is hard work, challenging but always rewarding. As a school, it is central that students enter an environment with the highest expectations of personal conduct that builds on their natural talents and abilities. We expect students and staff to engage with the school and commit to living our values of compassion, honesty, integrity and excellence.

OFSTED's recent inspection also reflected the huge successes that we, as an organisation, have achieved. Our recent GCSE results confirmed that we are making positive steps forward; 98% of the year 11 students achieved positive destinations after they left OIAMFS. We are thrilled at the positive impact, achieved by the time that students have spent with us, has had on their lives. I would like to thank everyone for their support during last year and would like thank all of your families for the excellent support that they have given and continue to give to the students and the school. With the start of the new academic year, I hope that it continues to be as successful and rewarding as the last.

Mr Grant (OIAMFS Principal)

Woodhouse Grove Award Sixth Form Bursaries To OIAMFS Students

The partnership between OIAMFS and Woodhouse Grove school continues to blossom. We are delighted to announce that OIAMFS leavers, Finn Payton and Raihan Younis, have been awarded full Sixth Form bursary places at the prestigious Woodhouse Grove School starting this September 2018! Finn said, "To attend Woodhouse Grove 6th Form is an amazing opportunity. I am very proud. I will use every opportunity given to me to help me achieve my career ambitions for the future". Mrs Payton added, "Thank you OIAMFS and Woodhouse Grove, I'm sure giving OIAMFS students this extra opportunity will really help make a difference to their future! Finn is determined to show that you made the right choice in selecting him". Overwhelmed, Raihan exclaimed, "I am delighted to have been selected. I am really looking forward to September. Thank you so much to both OIAMFS and Woodhouse Grove". Raihan's parents

added "This is a great opportunity to make something of himself. All of his family are delighted at the news! It is a testament to the hard work put in by our son and a huge thank you for the commitment of the teachers". They have recently set up its own Charitable Foundation to support and fund bursaries for pupils, from within the Bradford and West Yorkshire district, whose parents may not otherwise be able to afford the fees. We would also like to congratulate both young men on their academic achievements. Raihan Younis achieved 9s and 8s for English Maths and Science. Whilst, Finn Payton achieved 8s and 7s for English Maths and RE. "These young adults have lived the OIAM values consistently for the last five years and are superb role models to younger children. They will benefit hugely from this life-changing opportunity. We would like to add a huge thank you to the governors of Woodhouse Grove" said Mr Grant, OIAMFS Principal.

School

Fly Me To The Moon!

The students had been completing a STEM (Science, Technology, Engineering and Maths) project which was designed by the Royal Academy of Engineering. The students were tasked with a question "How will engineers make it possible to live on other planets?" We had looked at the affect of a heat shield on a rocket, designing our own using different types of material. We had also investigated how different shapes travelled through the air to help us design our final rocket. The objectives of the rocket launch were to describe the forces involved in launching a water-powered rocket and to explain the affect of adding more or less water as "fuel". Students were enthused, with the whole experience and the excitement was palpable. They watched as each of their rockets were pumped up - adding a countdown, willing it [the rocket] to go higher than the last one. Mrs Standen-Clarke said, "This was made better as the higher the rocket went, the more I got wet from the spray!". One student said, "Thank you for making our learning so much fun".

'History Comes Alive!' Thanks To Enable2, A Local Social Enterprise

OIAMFS are delighted to be invited to work with 'Enable2 CIC', a Bradford based social enterprise, to research their new HQ, 'Westend Mill', an iconic 19th century city building. Students first got involved as part of a weekly enrichment after school before it moved to three lessons a week to complete our research! Students learned about the Goitside conservation area; industrial revolution and its effect on Bradford; and the woollen industry in Bradford. Research even included access to the family archive research centre: Ancestry! This allowed us to be real historians exploring the past and using real archives as evidence to support our findings. This fantastic project enabled students to develop skills such as independent learning; teamwork; research analyse; handling historical documents; meeting

deadlines; creating artwork and presentation displays for Enable 2's building reception. Riyadur R said, "The researching process was exceedingly interesting and beneficial in gaining knowledge about a part of Bradford's history. Collaborating with all the learners made this little journey immensely joyful. I am honoured to be part of this spectacular opportunity". Helen Hoyle, Social Return Manager, said, "Enable2 have been pleased to commission this work to enable us to find out more about the history of our premises. We enjoyed meeting the students and are really impressed at the detailed information they have found and how they have presented it". Enable2 have gifted OIAM the sum of £2,000 towards their charitable work in Bradford. To find out more visit www.enable2.com

Crumble And Juice Anyone?

Last term the gardening club had their first taste of what to do when our plots and gardens become productive. It is all well and good having a great harvest, it is another knowing what to do with it. We were blessed to have rhubarb and frozen apples/pears to provide our gardeners with a cooking challenge. With the able assistance of our gardening champion Mrs Ware and our able chef Mr Williams, we set about making a great traditional pudding of rhubarb crumble. Students took it in turn to chop and stew the fruit which is the same process for other crops such as apples, plums and gooseberries. While this was being done other students took turns to shred the defrosted apples and pears prior to them being pressed to release the juice by Mr Slade. It is fair to say that this activity was a success as treats were taken home by everyone. Staff and students alike were, to quote Mrs Ware "buzzing", while Farzana summarised the session by saying "gardening is very exciting, you get to make amazing fruit juice and crumble, it was delish".

Sports Week: On your marks, get set,... GO!

Sports Week followed the theme of Be Active Stay Healthy. BASH. The aim was for every student at One In A Million to take part in Sports Week. In the build up to Sports Week all students in PE lessons took part in athletics events including 100m, 200m, 800m, shot put, javelin and long jump. A fantastic performance from students in unusually hot weather. During the week students took part in numerous competitions ranging from football, basketball, badminton, dodgeball and cricket. Each team competed for points for their individual house, in year groups. These results were collated over the different house groups and years for an overall house winner. The winning house groups in each year were: Year 7: 1st Excellence, 2nd Integrity, 3rd Compassion, 4th Honesty. Year 8: 1st Excellence, 2nd Integrity, 3rd Compassion, 4th Honesty. Year 9: 1st Integrity, 2nd Excellence, 3rd Honesty, 4th Compassion. Year 10: 1st Honesty, 2nd Excellence, 3rd Integrity, 4th Compassion. The Overall Winners were Excellence. "Well done everyone. Thank you for your participation under the extreme weather conditions of sun and heat. Your commitment and dedication was excellent" said Mrs Oldroyd.

Postcode Lottery Fund Our Ever Popular Enrichment Gardening Club!

We are delighted to announce that we have been awarded a Local School Nature Grant of £500, thanks to players of the People's Postcode Lottery. Our students will be benefitting from educational gardening resources and equipment, which will be used to help them understand the environment in a very real way. The equipment includes an Insect Study Centre, Woodland Activity Kit and Getting Growing Starter Kit. In addition, staff will receive training to help support the students with this project. Our students played an important role in applying for the grant and selected equipment that they felt would benefit their peers. The project is run by 'Learning through Landscapes' and funded by Postcode Local Trust, which receives funding from players of People's Postcode Lottery.

British Council Award OIAMFS: The International **School Award!**

OIAMFS has been awarded the Foundation Level International School Award after a programme of whole-school learning about Fairtrade and an Enrichment course on the UN Sustainable Development Goals (SDGs). Students have focused on issues such as climate change, ending poverty and social inequality. Along with schools around the world, students participated in The World's Largest Lesson about food security, linking this learning to our school garden. Such subjects help students to make the link between local and global issues, and develop critical thinking skills in order to make informed decisions about their responsibilities as world citizens. The British Council said, "You are clearly motivated to develop an international dimension to your school's curriculum and whole-school ethos, to promote citizenship and an understanding and appreciation of other countries and cultures". Year 10 student Samia Khatun says, "Learning about global issues helps us to recognize people's needs and gives us an opportunity to help". Lamia Akhtar added, "International studies help me to communicate better with people from other cultures". Watch this space for future developments!!

celebration of One Britain One Nation Day (OBON) for the second citizen". Tasmia T said, "I now know how privileged I am to be living consecutive year! Students from Years 7 and 8 sang the national in such a well-known society as Britain. Being able to have choices and options to succeed could never have been imagined if I was anthem with great passion and pomp! 'God save our Queen' could be heard in the surrounding streets. Mr Qadri, (Vice Principal) said, not in this incredible environment, I now call home! Having the rights "It was wonderful to see our students who come from many different to feel 'wanted' is an honour in itself. I am truly overwhelmed with

including school and home. I am privileged to call myself a British

gratitude". Mark Hughes, Chair of Governors explained, "At OIAMFS, every day is an opportunity to celebrate British values! Values shape our culture and ethos. We regularly instil in our students and staff that when values are truly lived out, they create a ripple effect that goes beyond the boundaries of our school. They create a tipping point that will positively impact our homes, local

provided us with this freedom and safety. I am grateful for all the amazing opportunities that have been given to me. They allow me to exceed and move towards success in all aspects of my life communities, city and beyond!"

OIAMFS Celebrates One Britain One Nation With National Anthem

During the summer, OIAMFS were delighted to participate in the

walks of life, joining together, to celebrate our British values". Riyadur R added, "Since coming to OIAMFS, I have come to realise

that I live in one of the most valued nations in the world. I don't think

I can ever express my appreciation for the people who have

All students in Years 7 to 10 were considered for subject awards in year group assemblies and were very well received by our at the end of the summer term, July 2018. Subject teachers chose students. It was fantastic to see so many awards being issued to two students from their classes to award a certificate to. The our young people. It ended the term on a very positive note and awards were for effort and attainment. 134 certificates were students went home with their certificates so they could share their awarded in total across all subjects. The certificates were awarded success with their families.

Year 11 Prom Night Celebrates Good Times!

What a fantastic time everyone had at the OIAMFS Year 11 Prom at Bradford's Midland Hotel. It was a truly memorable evening! The students were resplendent in their finery. They shared a luxurious chauffeur driven Hummer ride to the hotel, before enjoying speeches from OIAM leadership. The students then responded with their own speeches, celebrating the impact that OIAM has had on their lives! As the evening continued, the magicians tricks became ever more remarkable, the dancing ever more enthusiastic and the celebrations ever more joyful. This was indeed a very special evening, which acknowledged the journey of the first cohort of our school students from Year 7 to 11. We wish them continued success in their future. We will miss them enormously. They will forever be members of the OIAM family!

"I loved OIAMFS so much, I never missed a single day in 5 years!"

Can you imagine loving school so much that you never miss a single day in 5 years? Meet Maria Majid, who achieved just that! Upon leaving the school, this is what she had to tell us, "I feel very proud to have accomplished such an achievement. I really care about my education. If I am in school, I put myself in a positive position to be able to learn and enhance my knowledge". Whilst articulating her love for our school, Maria added, "its thanks to the belief of my teachers, people like Mrs Oldroyd, Mrs Wright and my parents who have supported me". When Maria arrived at OIAMFS, she didn't know many people but says she is now a much more confident person and has grown in her leadership skills thanks to being in school. This is reflected in the responsibilities she attained during her 5 years with truly 'one in a million'!

SPCTLIGHT

"Maria has been an exemplary

student, which is reflected in her

5 years". (Mr Grant, Principal).

100% attendance over the last

us. She was a Prefect, Librarian, School Council, Class Ambassador and House Captain (of Honesty)! Not content with being a role model in school, Maria has been a regular volunteer at our charity's Positive Lifestyle centre working with primary school pupils from all across the city! She says, "I love helping people!". This character quality further evidences Maria's attitude as a servant leader. She always carries a positive, affirming influence wherever she is. Maria will now be moving on to further studies or an apprenticeship locally. Mrs Wright, her CTL and English teacher said, "Maria is one of the hardest working and most giving students I have taught. I have no doubt she will put full effort into whatever pathway she takes". Well done Maria, you are

Speak Out Challenge Regional Final Is

In June 2018, OIAMFS hosted the Speakers Trust for their inaugural Bradford "Speak Out" Challenge at the iconic Bradford City Football Stadium. Over 15 secondary schools from the Bradford district took part in the regional final in front of over 200 guests. Since January, Speakers Trust trainers and coaches have been working with Bradford teachers to deliver their tailored confidence-building programmes for student public speaking. At the end of the training programme each school that participated in the "Speak Out" Challenge held their own local finals where students had to give a 3-minutes TED-talk style speech before nominating a winner to represent their school in the regional finals. The winner of the OIAM Free School heat was Saniya G, year 10. The regional

final was a truly spectacular evening consisting of music and drama from OIAMFS and Woodhouse Grove students and of course, the 15 finalists. The judging panel on the night included: Maeve Gold (Educational Psychologist), Daniel Greenwood (Superintendent, Bradford District Police), Jo Quinton-Tulloch (Director, National Science & Media Museum), Liz Green (BBC Radio Presenter), Adeeba Malik CBE (Deputy CEO, QED Foundation) and James Smith (Head of Customer Excellence, Contis). Though OIAMFS student Saniya G, yr10, did not win the competition, she gave an incredibly powerful and deeply moving speech titled: Are Women Truly Equal? OIAM would like to say a huge thank you to the Speakers Trust Charity, for bringing this event to Bradford.

A Huge Success! Saniya Speaks Out!

Competing against students from 15 schools across the city, Saniya G of year 10, gave an exemplary performance in representing OIAMFS at the regional final of the Speakers Trust's "Speak Out" Challenge. Saniya had to give a 3-minute TED-talk style presentation without any notes or prompts in front of a room of 200 guests! Her presentation was titled: Are Women Truly Equal? Though she did not win on the night Saniya speech and presentation will live long in the memory! You can read it by scanning the QR code with your smart phone camera. OIAM Co-founder/CEO Wayne Jacobs said, "Saniya made the whole school very proud tonight with her very accomplished speech! Her dialect and body language was compelling in keeping with her

deeply provoking and inspiring speech! Well done Saniya, you were outstanding in representing the values of OIAM!". Mrs Gul, Saniya's mother said, "I could not be prouder of my daughter's achievements tonight! She represented our family, the school and local community amazingly well! In our eyes, she is a winner!". Mr Grant, OIAM Principal said, "I am extremely proud of everyone tonight. It has been such a special occasion. Our students and staff did a great job hosting the evening, with people serving in many different roles from backstage support, timekeeping, singing and drama production alongside students from Woodhouse Grove School. However, the star of the evening has to be student Saniya! She has made everyone at OIAM very proud! Well done Saniya".

Two Doe Park **Water Extravaganzas** For Our Five **Community Hubs**

During the summer holidays, children from the five OIAM Community Hubs enjoyed two action packed days at Doe Park doing canoeing and water rafting. Day 1 included Manningham. Day 2 included children from Bierley and Keighley. Despite the bad none wanted to leave at the end! Dylan A said, "I loved going on the kayak, I have before". Elijah A: "I loved falling out of the kayak and jumping off the raft into the want it to. It was amazing!". Thank you to the staff of Doe Park who are always wonderful Community Activators, amazingly dedicated volunteers, which included two OIAMFS students Josh R. and Junaid B.

OIAM Community held a fantastic Summer holiday fun day at OIAM Free School facilities. Children attended from our five Community Hubs; Keighley, Shipley, Canterbury, Bierley and Manningham. The young people took part in a range of activities, including MMA, Dance, Rounders, Football, Biscuit decorating and a highlight was making smoothies by peddling a bike. Thank you to Bradford West Youth service for the loan of the smoothie bike! The children enjoyed a memorable day in the sunshine! Hannah B. said, "I enjoyed everything because it was fun. I got better at dancing because of the teacher. Rounders was great!". Shannon B. from Sue Belcher Centre, Keighley said, "I enjoyed playing rounders with new people & getting to know them". Zeeshan A. added, "I enjoyed mixing in with the other people & doing the activities". Leah R. from Windhill, "I enjoyed helping my sister make a smoothie".

Bangla Bantams **Community Day At Bradford City** Football Stadium!

At the close of the football season, young people from OIAM Free School and Manningham Community Hub participated in the Bangla Bantams Community Day at Bradford City AFC's iconic football stadium. Everyone was very excited to play an actual football pitch! Here's what our young people had to say. "It was a phenomenal experience" (Zain A.). "We got to make new friends" (Daniel St.). "This was a huge experience. A fun day". (Mateusz G.). "An amazing, once in a lifetime experience. My family also had a chance to come and see it. It was something I will never forget!" new achievement in life" (Jonathan Bentley). Manningham Community Activator, Gurmit Chand added, "Today, was a great opportunity for all the participants and goes in hand with our current Streetwise theme #All Colours, #All Equal. All the young people showed respect to staff, equipment & each other".

Canterbury Kidz Club Have A Blast At Lingholm Estate!

During the summer half term, Community Activator, Rob Carr and his volunteer team, took a group of children from our Canterbury Hub away for weekend residential at the magnificent Lingholm Estate, Keswick! Rob said, "After a night of exploring the estate the children excitedly arose at 6am ready for an action packed day! They got to meet the Alpaca's; a lovely walk to Horsepoint to catch the boat; the children loved sailing to Keswick where we got lunch and visited the shops to buy mementos. Upon arriving back at Lingholm, we had a BBQ with the Seymour family, and later watched the World Cup. On Sunday, island, which is referenced in the Beatrix Potter stories! The children absolutely loved this and said it was their highlight! One child who came with us, had declined to go on her school break just weeks previous said "I felt so safe. It was totally life". What an incredible opportunity". From the bottom of our hearts, a special thank you goes to Seymour; Jenny and Joe Sadler; for giving our young people an incredible life experience. Thank you to Mrs Higgins from OIAMFS for driving

Streetwise Football: #allcolours #allequal [Racism: Kick It Out]

Our most recent OIAM Streetwise football project continued to run it's most important theme #All Colours, #All Equal. With an widespread across social media, OIAM felt it important to continue to tackle raising awareness and focus on education around anti-racism. The 11-week project culminated Teams from Salts, UAK, Goals and Grange competed for the award after taking part in their respective projects over the previous said, "We respect the equipment, respect each other and we respect the staff". The Roice Crispies who model excellent attitude & good behaviour every week! Individual medals were given out to individuals who had shown outstanding attitude week in,

Packetts Tour de Dales Celebrates its Third Year of 'Breaking the Cycle' for OIAM

On the 12th May 2018, the Packetts Tour de Dales 2018 celebrated its third year with 40 riders taking part in our two day charity bike ride from Saltaire (Home of Packetts) to Masham and back to Saltaire. This years sportive was started by Her Majesty's Deputy Lieutenant for West Yorkshire, Jas Athwal. During day one, the riders climbed an impressive 11,800ft (3,600 mtr) up the Yorkshire 'Alps' en route to Masham with some of our advanced riders tackling 'Park Rash', arguably Yorkshires hardest climb, with its 25% hairpins! Following a fabulous evening reception at Theakston Brewery and an overnight stay in Masham, the riders returned back to Saltaire via 100 miles of glorious Yorkshire countryside to complete this years sportive at the Halfway House in Baildon! OIAM would like to say a big thank you to Packetts and to both Marshall and Marie Sugden. OIAM CEO, Wayne Jacobs said, "It's a truly magnificent event! Our partnership with Packetts and the support of all the riders who have taken part in this tough challenge has simply been outstanding. Thank you to everyone who has been involved".

"Now into our third year, it still surprises me how tough the Packetts 'Tour de Dales' bike ride challenge is. It is all worth it to support One In A Million, a great Bradford charity who provide pathways for children & young people who face daily challenges of their own". (Marshall Sugden,

Managing Director)

Spring Golf Day Is A Hole In One For Business Enterprise Fund & Craven Slater

OIAM held our 9th annual charity Celeb/Am Golf day in May 2018 at Bradford Golf Club, proudly sponsored by Business Enterprise Fund and Craven Slater & Associates Ltd. A great days Stableford format golf was played by 64 golfers presented Golf course. Our guests included; Jas Athwall DL, Bruce Bannister, Eddie Gray, Andy Gray, John Helm, Paul Jewell and Matty Pattison. Congratulations to our prize winners; 1st: This is Chemistry (86pts), 2nd: Stainforth Construction (85 pts), 3rd: Business Enterprise Fund (85 pts). Longest Drive (15th) – Jonathan Southcotte and Nearest Pin (12th) – Chris Blantern. OIAM CEO, Wayne Jacobs said, "We are extremely grateful to Business Enterprise Fund and Craven Slater & Associates Ltd for there long standing support of our Charity thank you for the confidence you have in us". A big thank you to all who attended the day and raised money to support OIAM's work in the Bradford District.

"We are proud supporters of OIAM and we are delighted to co-sponsor such a wonderful Golf day! We look forward to seeing you next year!". (Mark Illey, Business Enterprise Fund)

"We are delighted to support today's event" (Robert Slater, Craven Slater

Yorkshire 3 Peaks 2018: Walking The Extra **Mile For OIAM Charity**

In June 2018 our courageous team of 49 supporters from; Bingley Bantams, Provident Financial Group, Bradford University, HSBC and Liversedge Ladies, set off from Horton involved climbing the three highest peaks in Yorkshire. This was made tougher by the Outdoors marshalls. Also joining us this year, was our Welsh 3000's team who took part as their final big practice session ahead of their 15 peaks in 24 hours' challenge. The day was rounded off with a celebratory barbeque, sponsored by Bingley Bantams and expertly cooked by 'Head Chef' and co-organisers Keith Taylor and Ian Taylor. Thank you Bingley Bantams for your continued support. We would like to thank everyone charities community projects. Thank you to Business Enterprise Fund (BEF) for sponsoring our Summer Walks Appeal 2018 for the second year running!

to continue our support for One In A Million, a great Bradford charity, who share our values of inspiring others to help them reach their goals". (Stephen Waud, Business Enterprise Fund)

Superhero Skydivers Freefall At 15,000ft For Charity

Thank you to our OIAM summer Superhero Skydivers; Helen Ludkin, Robert Carberry and Charlie Smith, who bravely took to the skies and jumped out of a plane from 15,000ft (2.8 miles) to raise money for OIAM's community projects. The tandem skydive took place at the Skydive Hibbaldstow airfield in Lincolnshire and after a long anticipated wait, our superhero's finally took flight. The tandem skydive included 9,000ft of adrenaline freefall at 110mph in just 1 minute before the canopy was opened for a gentle 6000ft flight back to earth. Helen Ludkin said, "The skydive was definitely out of my comfort zone, but one off the bucket list. Flying through the air was just an awesome experience and I highly recommend it!! Thank you so much to everyone who sponsored us and OIAM for organising the day, which was literally out of this world". Thank-you to our Superhero Skydivers and everyone who sponsored them to support our Charity.

Summer Golf Day Hit's the Mark For The Shipley Golf Club & Illingworth McNair

our 2018 Winners

The OIAM 2018 Summer AM/AM Golf tournament was held at Shipley Golf Club on Friday 17th August, sponsored by Illingworth McNair Insurance Brokers. Teams of four playing 18 holes of competitive 'stableford' golf which was played in a great spirit. Monies raised on our charity hole 11th and throughout the day was kindly match funded by Dan Firth from Barclays. A great day's golf was followed by a delicious two course meal, fundraising activities with prizes kindly donated by Complete IT Systems and Bradford born film maker Sid Sadowskyj. The evenings entertainment was provided TV comedian Martin Gold! Prizes: Congratulations to; 1st - Mark Garrod, Mike Brown, Tony Dyer & John Bretherick - 90 pts, 2nd - Jamie Illingworth, Jamie Shanks, Barry Minal & William Johnston – 87 pts, 3rd – Mark Iley, Rupert Shires, Doug Hesletine & Richard Bottomley – 81 points, Nearest the Pin: 17th – Tony Dyer, Nearest the Line: 10th – Michelle Sunderland, Longest Drive: 4th – Alexander Modgill. OIAM would like to thank; Main Sponsors Illingworth McNair Insurance Brokers, the members and staff of Shipley Golf Club, including; Mike Brown, Glyn Brown and club professional Nathan Stead. A huge thank you to everyone who supported a great day to support the work of One In A Million!

"One In A Million is a fantastic local charity that llingworth McNair are proud to support by sponsoring their charity Golf day for the 7th consecutive year. It was another fantastic day and we would like to thank Shipley Golf Club and everyone who played to support this wonderful charity".

Jamie Illingworth, MD of Illingworth McNair Insurance Broker

Epic 'Coast to Coast to Coast'Weekend of Cycling To Help Break The Cycles

During the summer, OIAM & JCT600 joined forces on the epic Coast to Coast to Coast "Help break the cycles" weekend of cycling! 11 courageous riders took on the challenging Open Cycling event "Coast to Coast In A Day!" This gruelling but stunning ride covers over 150 miles and 4500 meters of climbing. From the mountainous Western Lake District, reaching the Northern Valleys of the North York Moors, finishing by the sea in Whitby. many of the riders also cycled from Whitby across to Cumbria the day before, totalling included Nigel Shaw, JCT600 Group F.D, Martin Holmes, JCT600 Volume Division Financial Controller, other members of their staff, Bradford Cycling Club members, other local business professionals and Robert Moon (OIAM school governor) and Kirsty Moon (OIAM SLT member). Many thanks to all those who rode or sponsored the riders!
