One In A Million is a Bradford based charity that works in disadvantaged communities, through Sports, the Arts and Enterprise programmes engaging children and young people. Our strategy is achieved through our Hub & Spoke model, which is often referred to as our Wheel of Hope (see appendix 1). Our daily programmes enable us to use formal and informal education as a delivery mechanism to break the cycles of deprivation over their young lives, valuing and celebrating their uniqueness, letting them know they are 'one in a million'.

Our Passion: is to make a difference to our city. We work within parts of the Bradford District, which fall within the top 1% of national deprivation. Our motivation is to help change the negative statistics that hover over children and young people so that they can thrive in their mental, emotional, social and physical wellbeing.

Our Goal: is to improve children and young people's confidence, self-esteem, wellbeing and skills through activities delivered in a fun and safe environment.

Our Hope: is to in-still young people with confidence, knowledge and skills, providing progression pathways into certifications, accreditations and qualifications, supporting them on their journey to be work ready.

Our Values: Compassion, Honesty, Integrity and Excellence.

Our Family: One In A Million was established in 2005 with our first community activity taking place on 6th May 2006. One In A Million's charitable objectives are implemented through our three main departments: Community, Corporate Events and Sponsorship, and OIAM Free School.

- **Community** – provides sports, arts and enterprise themed activities, which are delivered through our engagement, enrichment and enhancement curriculum programmes.
- **Corporate Events and Sponsorship** – is our fundraising department. Their work is split into two areas; restricted and unrestricted funding and includes a programme of events and activities to engage individuals and businesses to support our work. We also have a bid-writer who applies to charitable trusts, foundations and for grants.
- **OIAM Free School** – is a mainstream secondary school established as an academy. Our curriculum is broad and balanced with a strong emphasis on Sports, the Arts and Enterprise.

I hope the application pack attached gives you an insight into what we are about and helps you to write an application that catches our attention.

Yours sincerely
