Dear Parents / Carers

This year we are asking parents/carers to contribute towards the cost of ingredients used in Food Tech lessons.

The contribution for the year has been calculated as £10. This works out at approximately 50p per practical lesson over the academic year.

Please log onto your Parentpay account and select 'Food Technology Ingredients £10'.

Please also ensure your child brings a plastic, sealable container with them on the day of their lessons, to take home the food items they have made.

Thank you for your support. If you have any questions, please do not hesitate to contact reception.

Yours faithfully
