Exam Board Change

Dear Parent/Carer

From September 2025, One In A Million Free School will be sharing a number of curriculum resources and teaching staff with Delta Academies Trust. This will add capacity, experience and expertise to our teaching team, improving the learning experience for all students.

There will be one curriculum change which will directly affect Year 10 students. After careful consideration, we have decided that Year 10 students will follow the Eduqas English Language and English Literature syllabus instead of AQA in Year 11.

This decision is based on evidence which shows that nationally, more students achieve a grade 4 or above in English Language and Literature, when following this exam syllabus.

To ensure that students and staff are fully prepared for this change, a Director of English from the Delta Academies Trust, will deliver a number of master classes to Year 10 students in the final weeks of term. They will also support students and the English Department throughout next academic year.

We believe this decision provides our students with the best opportunity of fulfilling their potential in English at the end of Year 11. However, if you have any concerns or would like to discuss this further, please do not hesitate to contact the school on 01274 72343

Yours faithfully,
