

June 2025

## **Options Change**

Dear Parent/Carer,

From September 2025, One In A Million Free School will be sharing a number of curriculum resources and teaching staff with Delta Academies Trust. This will add capacity, experience and expertise to our teaching team, improving the learning experience for all students.

We are aligning the curriculum for all Year 9 students, which means that your son or daughter will study either History or Geography at GCSE, plus the three other options they have chosen. If they had already chosen History or Geography as an option, they will be asked to choose additional subjects. This will be explained fully in an assembly and during form time.

This decision will allow students to study a broad, balanced curriculum for longer, preparing them more effectively for post 16 studies.

From September Directors of English, Maths, Science, History and Geography will be working with students and staff to enhance the delivery of subjects at GCSE.

We believe this decision provides our students with the best opportunity of fulfilling their full potential at the end of Year 11. However, if you have any concerns or would like to discuss this further, please do not hesitate to contact the school on 01274 723439.

Yours faithfully,

A handwritten signature in black ink, appearing to be "J Hobbs".

Mrs J Hobbs  
Principal
