

17th July 2025

Dear Parents/Carers,

In our Celebration Assemblies on Friday morning we will recognise the attainment made by many of our students. This celebration is also a reflection of the positive relationship between the school and parents/carers. I would like to thank you for your continued support. This partnership contributes significantly to our students' experience of school during their time with us.

The end of the academic year means we are saying a formal goodbye to Year 11 students. They have worked incredibly hard throughout their final year and especially during the exam season. It has been a privilege to see them mature and flourish. We are all very proud of everything they have achieved and look forward to celebrating their GCSE grades with them in August.

We are also saying goodbye to a number of teaching staff:

Miss Mahfooz is moving to Laisterdyke Leadership Academy;
Mrs Ripley is moving to Brighouse High School ;
Mrs Hemmings is moving to Tong Leadership Academy.

I am sure you will join me in thanking them for all their hard work and dedication. We wish them well for the future.

I am looking forward to working with our current and new colleagues in September, to further strengthen the education provision One In a Million Free School delivers.

We will be working in partnership with Delta Academy Trust from September. The partnership will provide our school with access to a wide range of additional education resources, including Subject Directors across a wide range of subjects. This is a really exciting opportunity for the school and your support to change the timings of the school day to enable this, is much appreciated.

From September 2025 students should arrive at school between 8am and 8:25am for breakfast.

All students must be in school by 8:25am at the latest. This is when the first lesson of the day will begin.

School will finish at 2:30pm.

Our high expectations of behaviour will continue in September 2025. Please ensure that your child arrives in September with the correct equipment for the new school year and wearing the correct uniform.

Please check the following link for our Uniform Guide:

Due to rising prices we have taken the decision to increase the price of school meals. From September the price of a meal will be £2.80. This is in line with other schools in the city.
