

Friday 24th October 2025

Dear Parents and Carers,

As we reach the end of this first half term I would like to thank you for all the help and support you give to the school. Everyday, the vast majority of our students arrive on time, looking smart in their uniform and with all the correct equipment.

The school is extremely proud of the exam results achieved by our Year 11 students in August. The results were excellent; the best results the school has ever achieved and are among the best results in the city.

These results were achieved because students attended school regularly, engaged with their learning and had positive relationships with staff. The school wants to build on this success. Intervention has already begun with the current Year 11 and strategies are in place to support students in Years 7, 8 and 9 develop the knowledge and understanding they need to be successful at the end of key stage 4.

To support these positive relationships we will be holding a Parent/Carer Coffee Morning on Thursday 20th November 2025 between 8:30am-9:30am Parents and Carers will have the opportunity to meet with Senior Leaders and find out more about the school. There will also be an opportunity to provide feedback to the school. We hope you will be able to attend.

In order to support good attendance from all our students, the school will adopt the Local Authority's online system for requesting a Leave of Absence, from November 3rd 2025. Please follow this link to Bradford Schools Online for more information:

<https://bso.bradford.gov.uk/Schools/Home.aspx>

Please call school for the link if you would like to request a Leave of absence.

I also want to inform you of a growing concern across the city regarding children and young people using vapes to inhale THC and other illegal substances.

Bringing a vape to school and/or vaping in school is not allowed and significant sanctions are imposed on students who break these rules. Please support the school by discussing with your child the dangers of vaping, particularly vaping dangerous substances like THC. Information is attached at the end of this letter to support you with this. The school will be holding assemblies after half term, led by our Safer Schools Police Office to educate our students on this topic.

We break-up today for the half term holiday.

School is closed from Monday 27th October to Friday 31st of October. We re-open on Monday 3rd November 2025.

I hope you all have a relaxing and enjoyable holiday.

Kind Regards
